MAGN

VITO

Magnito: The World's First Attachable Travel Mouse

Magnito, a minimal mouse of quick-attach accessories for your digital device. Simply attach magnetically to your tablet or laptop with Magnetic Pad

Magnito Mouse, your remote control

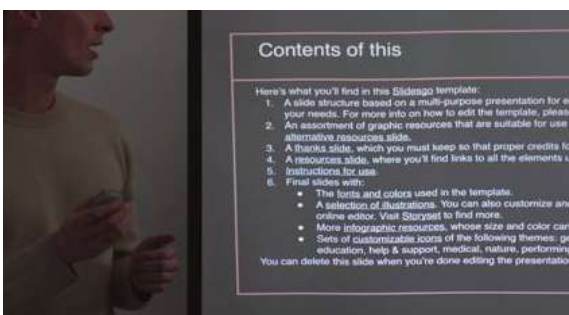

When you do not use the mouse, it becomes your remote control. Enjoy the convenience of taking pictures from a distance, controlling the media, or giving a presentation with the remote control.

Photoshoot

Media control

Presentation slide show control
(Available on macOS and Android)

Ultra Portable:

Attach it simply with a Magnetic Pad and it is easy to carry around, which allows you to work conveniently anytime, anywhere with the mouse!

Make a simple
your life with magnito

Strong adhesion
: With Magnetic Pad
Snake as much as
you want.
It won't come off

Convenient portability

The Real Pebble design

Magnito's pebble design is elegant and sophisticated, sporting soft curves and an oval shape for a comfortable grip.

Slim & minimal

Long-day comfort

Quiet Clicking
and scrolling

Choose between the simple yet sophisticated Silver, White, Black and Space Gray models. Whichever best matches your style.

Attaches To any part you want:

Magnetic Pad

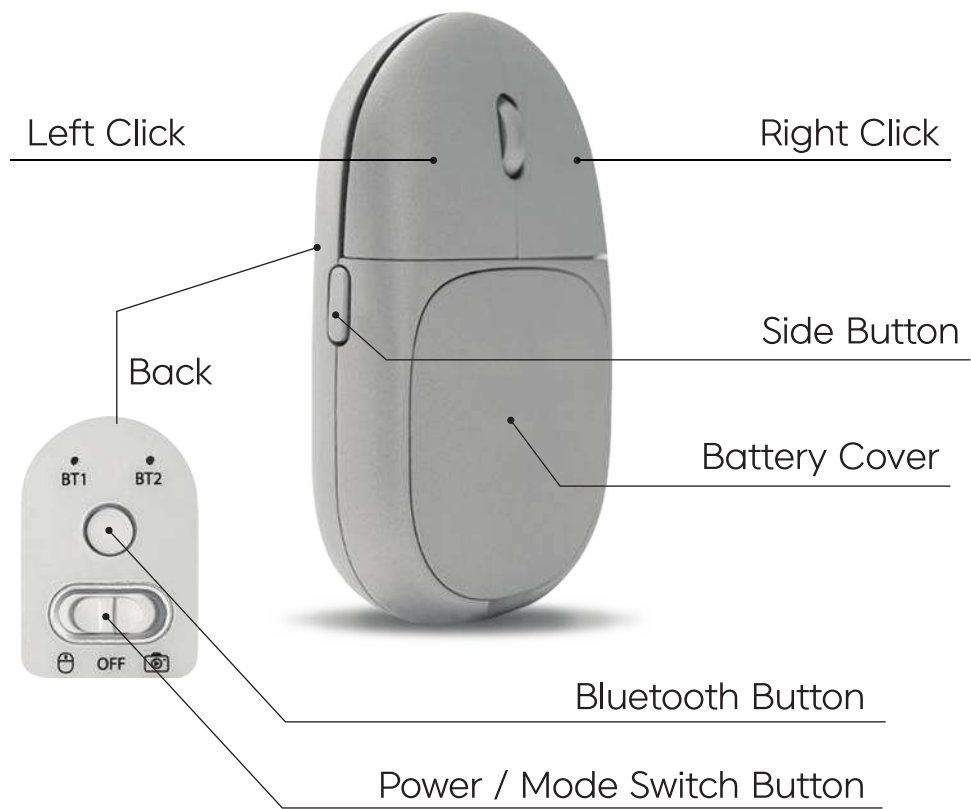

The easily attachable Magnetic Pad lets you carry MagniTo on any surface with its 3M sticker! It's great for tablets, as well as laptops; plus, it's fashionable and iconic. The 3M sticker keeps the Magnetic Pad gripped firmly onto your device, all without leaving any attachment marks. It's also the perfect accessory for your laptop.

Shake as much as you want.
it won't come off

Reusable & Removable Adhesive
Easy to attach: just peel and stick
